ABOUT ME

I am an incoming MSc IT (Data Analytics) student at Islington College, affiliated with London Metropolitan University. Holding a BSc (Hons) in Computing, I bring a strong academic foundation and experience in coordinating educational programs at ING Skill Academy. I am eager to develop my skills in data analytics and contribute to research and projects that leverage data for informed decision-making.

EDUCATION

- **BSc. (Hons) Computing** 2021-2024
Itahari International College
London Metropolitan University
Sundar Haraicha-4, Morang, Koshi Province
- **SLC (+2)** 2018-2020

EXPERIENCE

- **Academic Senior Supervisor** October 2024 - Present
ING Skill Academy
I am involved in the development of IT-focused academic courses, contributing to technical curriculum design for programs such as the Skill Enrichment Programme (SEP), Global Professional Pathway Course (GPPC), and Contemporary Skill Foundation Course (CSFC). My role also includes planning, coordinating, and supporting the effective delivery of these programs to ensure academic quality and relevance.
- **Intern** 2023-2024
Hunchha Digital Agency
I worked on backend development for client-based website projects, contributing to server-side logic, database integration, and project documentation, including support for SOP-related requirements. I also occasionally assisted with frontend tasks, collaborating with team members to support complete and functional web solutions.
